INVITATION TO OUR 30TH SCHIETWETTERCUP

Dear rugby friends,

It's been a long time since we've spent time on the pitch. The new season has begun, and finally again brings with it a lot of fun! This also means a new summer is ahead of us. We are pleased to invite you to participate in our 30th Annual Schietwettercup Tournament - the biggest 7s tournament in northern Germany. Our Tournament takes place on the first weekend of the annual Kieler Woche. Save the date June 17th-19th 2022.

This provides you with the opportunity to combine some quality and most of all fun rugby games with a trip to the festivities of the Kieler Woche, one of the largest sailing events in the world combined with a big funfair. In total, 32 women's and men's teams will be competing in the tournament, followed by a summer's evening celebration of rugby in our party tent.

We are currently facing the situation of a global pandemic which is why we are working on a strict concept to fulfil all official requirements regarding the hygiene and safety of our participants. In case of a cancelation, you don't have to worry – we'll refund the registration fee as soon as possible. Please feel free to contact us regarding any concerns.

This year you will also have the possibility to register either as an entire team or even as a solo player (so called "pirates") to join other teams. We'll provide you with catering and a jersey for the new team if necessary.

For those who've never been to Kiel and would like to know what they have missed out on so far, feel free to watch the after-movie of our SchietwetterCup 2019.
